

Uploading your audition video

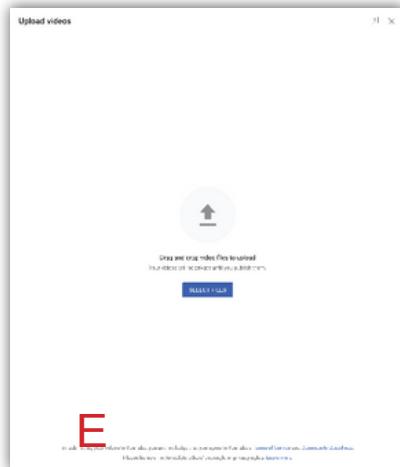

You will need to login or create your own free YouTube account, or use the account of a friend!

B

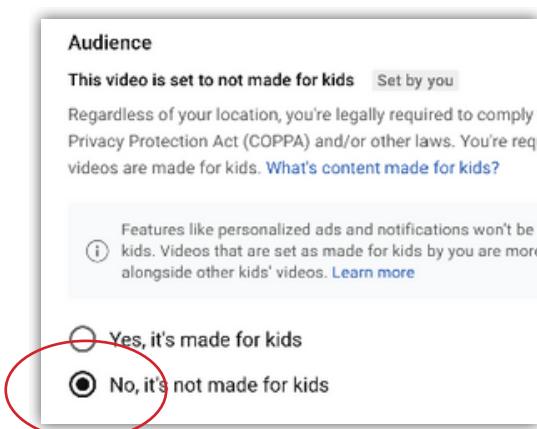

C

Choose or drag your audition file. Preferably, it should be an mp4 file.

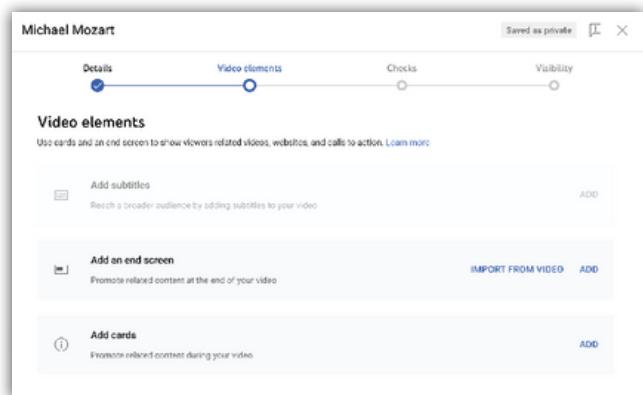

D

All you need to do here is click "No, it's not for kids"...

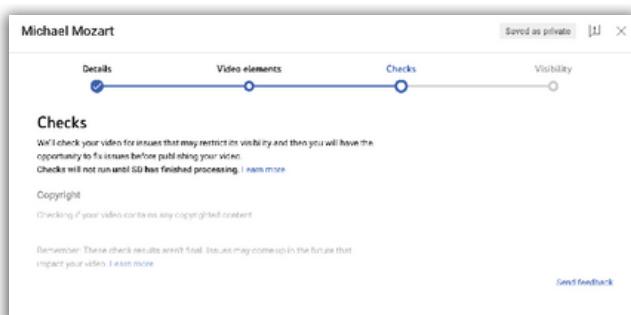

click NEXT

E

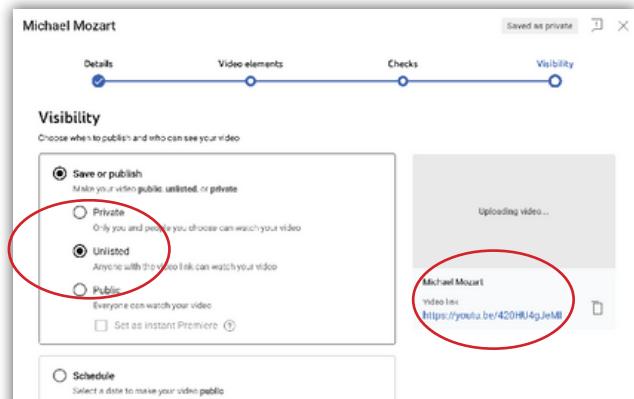

Nothing to do on this screen.... click NEXT

F

Nothing to do on this screen.... click NEXT

G

Click "Unlisted" - don't miss this important step!
On the same screen copy the video link at the right - this is the link you must paste into your application

H

Video uploading

Your video is still uploading and will be **unlisted** once uploading and processing finish. Keep this browser tab open until uploading completes.
